Designer Chocolates has literally thousands of stock moulds on hand covering almost any theme you can think of.

Miscellaneous Chocolates

Our stock moulds cover a wide range of themes including animals, sporting themes, letters and numbers, ocean creatures, seashells, religious icons, and many more.

If you have a particular theme that you would like chocolates for we most likely have a chocolate mould to suit.

Alternatively, we can create a chocolate mould that is unique for you. (Setup fee applies.)
